47. **NOTE:** If you cannot be present for face-to-face judging, a note card should be attached to entry explaining how the entry was completed, year in project, and exhibitor's age. Have someone drop it off and the judge will evaluate during a break in judging. There is no automatic penalty for exhibitors who are not present for their judging.
48. Exhibitors must bring a device to play any video, power point, music, or computer entries that need to be played.
49. All decisions of the judge are final. All exhibitors, parents, and spectators are expected to treat judges with respect. Anyone is welcome to discuss with the judge ways to improve their project or their showing skills after the completion of the show. It is not appropriate to harass or argue with the judge.
50. Exhibits not meeting the requirements will be lowered one placing.

Judging Method Descriptions:

Regular Judging (Open Class) There is one 1st, one 2nd, one 3rd, and one 4th place. Judge does not have to give a 1st. Below 4th receives no ribbons and no premiums.

Danish Judging - This is the traditional system whereby all exhibits of the same lot number are presented simultaneously to the judge. The judge evaluates each exhibit but is permitted to give a maximum of 25% ribbons to each group (blue, red, white, pink).

Face-to-Face Judging - This type of judging allows for more flexibility on the part of the judge and the exhibitor. Exhibitors bring all their exhibits in that department to be judged at one time and talk to the judge about the exhibits. Exhibits are not compared with other exhibits in the same lot number but judged on their own merit.

Ribbons:

1st – Blue – Excellent

2nd – Red – Very Good

3rd – White – Good

4th – Pink – Needs Improvement
